ABOUT US

LMK-GROUP OF COMPANIES was founded in 2010 in the United Arab Emirates. It has improved and developed its work in a variety of areas, allowing it to make significant progress in its quest for quality. Our company's presence is now established in eight different countries. We believe we will continue to grow in the future. Our experienced and dedicated people are the foundation of our company. They play a key role in helping us create, develop, and commercialise quality products that have great value. Our vision is to be a company that creates lasting value for all stakeholders, primarily in the form of a growing base of loyal customers. We focus on the fundamental aspects of our business where we believe we can add real value. We are committed, responsible, and humanistic. We care about how we work, the impact of what we do, and how we act and treat others.

OUR SERVICES

GPS TRACKING COMPANIES IN UAE

Through GPS tracking and vehicle tracking solutions, vehicle and fleet managers will be able to gain insight on the status of their vehicle, its location, the vehicle's efficiency, and other details about the vehicle. You will get the online reports on your app or computer, enabling real-time monitoring. This means you can track the real time performance of the vehicle, the routes the driver is taking and the time to destination. When you have an industry-leading GPS vehicle tracking solution on your vehicles, then you can easily put in add-on hardwares to it to add more features to it. All this gives you better control of tracking your vehicles. Partner with a reliable GPS tracking system Dubai company like LMK Group today.
