Vend Services in the Hunter Valley

Just because you're further away from the city, doesn't mean you shouldn't get prompt professional assistance with convenience services such as vending machines. At Vend Services, we have agents based in and around the Hunter Valley area ready to serve you with a wide range of machine installation, maintenance and restocking options. If you've been considering getting a vending machine in your workplace or business premises, contact us about what we have to offer. We'll make sure that you, your employees and your guests or customers get the convenient refreshment solution they need.

Vend Services agents are proud to offer more to our clients in the Hunter Valley area. Working with us means:

- No installation costs
You won't pay anything to have your machine delivered or installed.
- No lease
We don't lock you into an ongoing lease agreement.
- No ongoing contracts
You won't be obliged to meet sales targets.
- Experienced local agents
Our agents are locally based – and they really know vending machines!

- Quick refilling and maintenance
Why wait for your machine to be repaired, or for your favourite item to be restocked?
- Great range of machines
We offer exciting combination machines, coffee machines and compact models as well as traditional vending machines.

- Endless product options
From classic favourites including your favourite soft drinks, to healthy options and even locally made snacks, the choice is yours!

If you've been thinking of getting a vending machine on your premises, think Vend Services. For more information or to get in touch with your local agent, [contact us](#) today.
