

Adelaide Fast Blast is equipped to handle almost any size project.

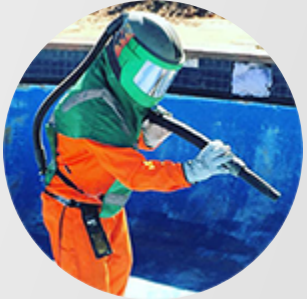

Abrasive Blasting

Adelaide Fast Blast is equipped to handle almost any size project. Our in-house blast room is equipped with the latest dust extraction units to meet EPA standards and we are also able to go onsite with our mobile equipment for almost any sized project. We also cater for Military and Mining with our approved Australian Standard testing equipment for spec. work. For further information on the options available to suit your project call us on 0411 068 140 or email us at sales@adelaidefastblast.com.au
